

Frisbees fly in tournament

THE sixth Tasmanian Two-Hat Ultimate frisbee tournament will be held at the Wentworth Park hockey fields at Howrah tomorrow.

Conducted by the Tasmanian Ultimate Association and the University of Tasmania Ultimate Frisbee Club, the event is sure to prove popular with spectators.

Tournament director and TUA president Jeremy Day said after the success of last year's tournament the club had had to expand the number of teams to cater for extra registrations.

Despite being one of the smallest events on the national calendar, the Tassie Two-Hat is considered one of the best, and last year was named Tournament of Year by the Australian Flying Disc Association.

Competition starts at 9am and finishes about 5pm, with finals starting about 2pm.
